About Elaine Rinaldi

Elaine Rinaldi is fast making her mark among the ranks of rising young American conductors. Critics have called her performances “brilliant” and her interpretative work “impeccable”. As Founder and Artistic Director of Orchestra Miami, Miami’s only fully professional orchestra, Rinaldi has brought a new level of professionalism and quality to the local arts scene. Of her work with Orchestra Miami, Daniel Fernandez of El Nuevo Herald writes, “In just two years, Rinaldi has created an orchestra which, though small in size, is clearly of a high caliber”, and of her opening night performance of the 2008 season, Lawrence A. Johnson of The Miami Herald writes, “the orchestra’s playing was consistently energized, polished and responsive to Rinaldi over the 2 ½-hour program, showing some of the fire and excitement of the [former Florida] Philharmonic on its best nights”. In addition to her work with Orchestra Miami, she has appeared as a guest conductor with many regional American opera companies and music festivals.

In addition to her work as a conductor, Elaine is much in demand as one of the nation’s top vocal coaches, working with some of the most recognized names in opera today. She was invited to join the faculty of the University of Miami’s Frost School of Music in the autumn of 2008, as a lecturer in vocal coaching. Additionally, Elaine remains active as a recital accompanist and chamber musician. Recently, she had the privilege of accompanying Korean soprano Yunah Lee on her recital tour in Japan, and was pleased to be invited to perform with the Palm Beach Chamber Music Festival’s Fall 2014 Series.
